COMES NOW, the Electric Reliability Council of Texas, Inc. (ERCOT) and files this supplement to its September 23, 2008, notice of violation of P.U.C. SUBST. R. 25.505(f)(1) and ERCOT Protocol § 12.4.4.2.3.2 (13) (September 23 Notice).

ERCOT has notified market participants that all the relevant information has been timely posted.¹

As always, ERCOT would be pleased to discuss this matter more fully at the Commission's request.

Respectfully submitted,

Matt Morais
