Re: PUCT Docket No. 47472; *Commission Staff's Petition to Determine Requirements for Smart Meter Texas*

Dear Judge Huhn:

My client, the Alliance for Retail Markets (ARM), actively participated in the two now-closed proceedings, Docket No. 46204, *Rulemaking Regarding Third Party Authorization to Access Smart Meter Texas Data*, and Project No. 46206, *Rulemaking Regarding Governance, Performance, and Funding of Smart Meter Texas*, that preceded the instant docket recently initiated by Commission Staff to address outstanding issues relating to Smart Meter Texas. ARM plans to file a motion to intervene in this proceeding by the deadline established in Order No. 1.

I will out of the office from September 6 through September 13, 2017. Consequently, I respectfully request that the prehearing conference requested by Staff in its application be scheduled on a date that does not fall within the period of my absence, if possible. Thank you for your consideration of my request.

Respectfully submitted
