Re: Consolidated SOAH Docket No. 473-19-1265, Consolidated PUC Docket No. 48785;  
*Joint Application of Oncor Electric Delivery Company LLC, AEP Texas Inc., and  
LCRA Transmission Services Corporation to Amend Their Certificates of Convenience  
and Necessity for 345-kV Transmission Lines in Pecos, Reeves, and Ward Counties,  
Texas (Sand Lake-Solstice and Bakersfield-Solstice)*

Dear Judges Neinast and Soto:

This letter is filed on behalf of LCRA Transmission Services Corporation, AEP Texas Inc., and Oncor Electric Delivery Company LLC,<sup>1</sup> in compliance with Section II of SOAH Order No. 3. We have reviewed the service list and provided additional address information regarding one intervenor, Domingo A. Perez, to the Administrative Law Judges' assistant, Ms. Hurley, which she used to update the service list on January 16, 2019.

We also have observed the following with respect to the service list:

- For COG Operating LLC, the service list provided to us by Ms. Hurley has the telephone number as 512-225-0027 and the email as [bbayliff@reglawfirm.com](mailto:bbayliff@reglawfirm.com). However, the motion to intervene identifies the telephone number as 512-480-9900 and the email as [brad@bayliff.law](mailto:brad@bayliff.law).
- For Atmos Pipeline — Texas, a division of Atmos Energy Corporation, the service list omits the email address for counsel, which we have as [evan.johnson@crtxlaw.com](mailto:evan.johnson@crtxlaw.com).

Except for these two items, we believe the service list to be accurate as of the date of this letter.

<sup>1</sup> AEP Texas Inc. and Oncor Electric Delivery Company LLC have authorized, through their counsel, the filing of this letter on their behalf.
