Re: Briefing issues in SOAH Docket No. 473-19-6862, PUC Docket No. 49737;
*Application of Southwestern Electric Power Company for Certificate of
Convenience and Necessity Authorization and Related Relief for the Acquisition of
Wind Generation Facilities;*

Dear Judges Neinast and Siano,

This letter is to inform you that the parties have conferred and reached an agreement on the word count for the briefs that are consistent with the 75-page limit imposed on Staff and intervenors and the 85-page limit imposed on Southwestern Electric Power Company (SWEPCO). The agreed word count is 26,600 for Staff and intervenors and 30,175 for SWEPCO. The parties have not been able to reach an agreement on an extension of the briefing deadlines or on the timing of the filing of proposed findings of fact and conclusions of law.

Sincerely,

Benjamin Hallmark
Attorney for Texas Industrial Energy Consumers
