Re: Project 50664 - *Issues Related to the State of Disaster for Coronavirus Disease 2019*

Dear Commissioners:

GenOn Holdings, Inc. ("GenOn") is actively working to assist its customers and the communities it serves throughout the country by taking recommended steps to mitigate the spread of the novel coronavirus (COVID-19). GenOn's Texas-based assets consist of a fiber optic telecom network utilized by the Deer Park Independent School District and operated by outside vendors. In response to this global pandemic, GenOn has encouraged all Texas-based employees to practice social distancing to curb the spread of COVID-19. As part of this initiative, GenOn has implemented a work-from-home policy for all of its Texas-based employees and that policy will remain in effect until further notice.

GenOn will continue to monitor the evolving COVID-19 situation and will respond, as needed, with additional steps to support our customers and communities during this time of crisis.

Sincerely,

Monica Nguyenduc
VP, Deputy General Counsel
