Public Utility Commission of Texas

Memorandum

RECEIVED

2020 DEC -8 PM 4:17

PUC PUBLIC UTILITY COMMISSION
FILING CLERK

TO: Interested Parties

FROM: Mariah Benson, Economist, Market Analysis Division

DATE: December 8, 2020

RE: Project No. 50664, *Issues Related to the State of Disaster for the Coronavirus Disease 2019*

Project No. 50703, *Reports of Transmission and Distribution Utilities on the COVID-19 Electricity Relief Program*

At the August 27, 2020 open meeting, the Commission issued an order requiring Retail Electric Providers (REPs) and Transmission and Distribution Utilities (TDUs) to file a final Electric Relief Program (ERP) report in Project No. 50730, *Reports on the COVID-19 Electric Relief Program*, on or before January 15, 2021.

Each REP must file the REP Final ERP Form using the instructions and format included in Attachment A. A blank Microsoft Excel native format for REPs to complete is provided on the Commission's website at: <http://www.puc.texas.gov/industry/electric/forms/Default.aspx>

Each TDU must file the TDU Final ERP Form using the instructions and format included in Attachment B. A blank Microsoft Excel native format for TDUs to complete is provided on the Commission's website at: <http://www.puc.texas.gov/industry/electric/forms/Default.aspx>

Attachment A

Required Report for REPs

**COVID-19 Electricity Relief Program (ERP) – REP Summary
Instructions**

- 1) On or before January 15, 2021 each REP must file in Project No. 50703 a summary of its ERP activities. A separate summary is required for each “DUNS Plus 4” designation.
- 2) Filings may be submitted through the Interchange on the Commission’s website as long as the Commission’s order filed in Docket No. 50664, *Issues Related to the State of Disaster for Coronavirus Disease 2019*, is in effect. Should the Commission’s order entered into in Docket No. 50664 no longer be in effect, then parties may file comments by submitting 16 copies to the commission’s Filing Clerk, Public Utility Commission of Texas, 1701 North Congress Avenue, P.O. Box 13326, Austin, Texas 78711-3326. Additionally, each REP must file an electronic version (i.e., in native Microsoft Excel format, with all cell references, formulas, links, and other electronic information intact) of the information contained in the report.
- 3) Each REP must answer all questions presented on the two tabs using the provided native Microsoft Excel format. Under the REP ERP Report tab, answers to questions 1-5 must be presented as numbers. Answers to questions 6-7 must be presented as written explanations.
- 4) The filing must include a sworn statement from an executive officer of the REP attesting to the accuracy, in all material respects, of the information provided in the report.
- 5) Questions concerning the report may be directed to Mariah Benson, mariah.benson@puc.texas.gov.

Required Report for TDUs

**COVID-19 Electricity Relief Program (ERP) – TDU Summary
Instructions**

- 1) On or before January 15, 2021 each TDU must file in Project No. 50703 a summary of its ERP activities.
- 2) Filings may be submitted through the Interchange on the Commission's website as long as the Commission's order filed in Docket No. 50664, *Issues Related to the State of Disaster for Coronavirus Disease 2019*, is in effect. Should the Commission's order entered into in Docket No. 50664 no longer be in effect, then parties may file comments by submitting 16 copies to the commission's Filing Clerk, Public Utility Commission of Texas, 1701 North Congress Avenue, P.O. Box 13326, Austin, Texas 78711-3326. Additionally, each TDU must file an electronic version (i.e., in native Microsoft Excel format, with all cell references, formulas, links, and other electronic information intact) of the information contained in the report.
- 3) Each TDU must respond to all fields included in the five tabs of the native Microsoft Excel sheet.
- 4) The filing must include a sworn statement from an executive officer of the TDU attesting to the accuracy, in all material respects, of the information provided in the report.
- 5) Questions concerning the report may be directed to Mariah Benson, mariah.benson@puc.texas.gov.

TDU Final Summary												
Reporting Month Period: Final Report January 19, 2021												
TDU Name: TDU DUNS: TDU ID#:												
QUANTITATIVE RESPONSES												
Row	Measure	Parameters for Reporting	Program Grand Total	April 2020	May 2020	June 2020	July 2020	August 2020	September 2020	October 2020	November 2020	December 2020
1	ERP ESIID Count	Monthly Reporting: "a" number of ESIIDs qualified for reimbursement in the ERP during the reporting month. Program Grand Total: Total number of ESIIDs qualified for reimbursement in the ERP at the end of the program.										
2	ERP Rider kWh	Monthly Reporting: Total kilowatt hour (kWh) across all customer classes billed on the ERP Rider during the reporting month. Program Grand Total: Total kilowatt hour (kWh) across all customer classes billed on the ERP Rider since the start of the ERP through the end of the program.										
3	ERP Rider Charges	Monthly Reporting: Total dollar amount of ERP Rider charges across all customer classes billed during the reporting month. Program Grand Total: Total dollar amount of ERP Rider charges across all customer classes billed since the start of the ERP through the end of the program.										
4	Suppressed kWh	Monthly Reporting: Total kilowatt hour (kWh) suppressed on TDU invoices qualified for reimbursement in the ERP during the reporting month. Program Grand Total: Total kilowatt hour (kWh) suppressed on TDU invoices qualified for reimbursement in the ERP since the start of the ERP through the end of the program.										
5	Suppressed TDU Charges	Monthly Reporting: Total dollar amount of TDU charges suppressed on invoices qualified for reimbursement in the ERP during the reporting month. Program Grand Total: Total dollar amount of TDU charges suppressed on invoices qualified for reimbursement in the ERP since the start of the ERP through the end of the program.										
6	REP Reimbursement Amount	Monthly Reporting: Total dollar amount of energy charges approved for reimbursement to REPs for ESIIDs qualified for reimbursement in the ERP during the reporting month. Program Grand Total: Total dollar amount of energy charges approved for reimbursement to REPs for ESIIDs qualified for reimbursement in the ERP since the start of the ERP through the end of the program. Note: * or REP specific information see the Reimbursement Summary by REP. If not confidentially.										
7	TDU Reimbursement Amount	Monthly Reporting: Total dollar amount of suppressed TDU charges approved for reimbursement to the TDU during the reporting month. Program Grand Total: Total dollar amount of suppressed TDU charges approved for reimbursement to the TDU since the start of the ERP through the end of the program. Each TDU reimburses themselves in a slightly different way. Please see TDU Comments at the bottom of this report for a description of each TDU's reimbursement process.										
8	Solex Reimbursement Amount	Monthly Reporting: Total dollar amount of charges approved for reimbursement to the third-party administrator (Solex) to cover its costs of administering the ERP eligibility process during the reporting month. Program Grand Total: Total dollar amount of charges approved for reimbursement to the third-party administrator (Solex) to cover its costs of administering the ERP eligibility process since the start of the ERP through the end of the program. Note: The monthly Solex fee is allocated to each TDU based on the allocation percentages contained in the ERCOT Loan Agreement. Solex invoices are typically received and paid within the same month for activity from the prior month.										
9	ERCOT Reimbursement Amount	Monthly Reporting: Total dollar amount approved for repayment to ERCOT for their initial contribution during the reporting month. Program Grand Total: Total dollar amount approved for repayment to ERCOT for their initial contribution since the start of the ERP through the end of the program. Note: The ERCOT Loan Agreement has a current maturity date of September 29, 2020.
