Re: Project No. 14406, *Registration of Power Marketers, Exempt Wholesale
Generators and Qualifying Facilities Pursuant to Subst. R. 25.105*

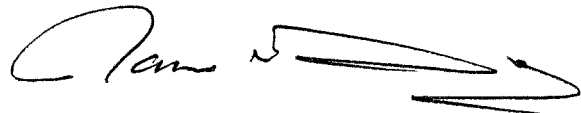

Dear Mr. Galloway:

On February 23, 2004, Occidental Power Services, Inc. (OPSI) filed its registration as a power marketer in Texas pursuant to Public Utility Commission (PUC) Substantive Rule 25.105. On February 17, 2006, OPSI reported revised information concerning its affiliates. Today, in accordance with PUC Substantive Rule 25.105(d), OPSI files this letter to report a change in the information previously provided, as set forth below.

As of December 31, 2006, Tenaska Oxy Power Services, L.P. and Tenaska-Oxy Power REP Services, L.P. are no longer affiliates of OPSI, as stated in OPSI's February 17, 2006 report to the PUC. In addition, as a result of a transaction late last year involving Ingleside Cogeneration, L.P. (ICLP), a current affiliate of OPSI, ConocoPhillips Company no longer has any ownership interest in ICLP, as stated in OPSI's February 17, 2006 report to the PUC.

Please reflect this revised information in your records. Thank you for your assistance in this matter.

Sincerely,

James Guy
