Re: Project No. 14406, *Registration of Power Marketers, Exempt Wholesale
Generators and Qualifying Facilities Pursuant to Subst. R. 25.105*

Dear Mr. Galloway:

On August 22, 2002, Occidental Power Marketing, L.P. (OPM) filed its registration as a power marketer in Texas pursuant to Public Utility Commission (PUC) Substantive Rule 25.105. On December 2, 2002, and February 17, 2006, OPM reported revised information concerning its affiliates. Today, in accordance with PUC Substantive Rule 25.105(d), OPM files this letter to report a change in the information previously provided, as set forth below.

As of December 31, 2006, Tenaska Oxy Power Services, L.P. and Tenaska-Oxy Power REP Services, L.P. are no longer affiliates of OPM, as stated in OPM's February 17, 2006 report to the PUC. In addition, as a result of a transaction late last year involving Ingleside Cogeneration, L.P. (ICLP), a current affiliate of OPM, ConocoPhillips Company no longer has any ownership interest in ICLP, as stated in OPM's February 17, 2006 report to the PUC.

Please reflect this revised information in your records. Thank you for your assistance in this matter.

Sincerely,

James Guy
*Attorney for Occidental Power Marketing,
