**BEAR ENERGY LP**  
**NOTICE OF WITHDRAWAL OF POWER MARKETING REGISTRATION**

Bear Energy LP (f/k/a CalBear Energy LP) ("Bear Energy") respectfully files this Notice of Withdrawal of Power Marketing Registration. On March 10, 2006, Bear Energy submitted its registration as a power marketer pursuant to Substantive Rule § 25.105 of the Public Utility Commission of Texas ("Commission").

On September 1, 2008, Bear Energy merged with and into J.P. Morgan Ventures Energy Corporation ("JPMVEC"), with JPMVEC being the surviving entity and assuming all the rights and obligations of Bear Energy. On November 24, 2008, JPMVEC filed a Notice of Succession with the Federal Energy Regulatory Commission ("FERC") to inform FERC that JPMVEC adopts Bear Energy's market-based rate tariff as its own. Accordingly, Bear Energy hereby withdraws its registration as a power marketer and requests that the Commission's records reflect September 1, 2008 as the effective date of the withdrawal.

Please contact me at the number below if you have any questions regarding this matter.

Respectfully submitted,

**Ike Gibbs**
