Re: Horse Hollow Wind IV, LLC, Docket No. EG17-116-000  
Notice of Change in Status

Dear Ms. Bose and Mr. Davis:

On June 19, 2017, Horse Hollow Wind IV, LLC ("Horse Hollow IV") submitted for filing a self-certification notice of its status as an Exempt Wholesale Generator ("Notice") for its 115 MW wind generation facility and associated interconnection facilities (the "Facility"). The Notice became effective by the Commission on September 13, 2017.<sup>1</sup> It has come to our attention that there was an error in the Notice related to the location of the Horse Hollow IV Facility. The Horse Hollow IV Facility is located in Taylor County, TX and not Nolan County, TX, as stated in the Notice.

Please do not hesitate to contact the undersigned should you have questions regarding this revision. Thank you for your assistance.

Respectfully submitted,

/s/ Joel D. Newton

Joel D. Newton  
Senior FERC Counsel
