Re: Cap Ridge Wind IV, LLC, Docket No. EG17-134-000f
Notice of Change in Status

Dear Ms. Bose and Mr. Davis:

On July 28, 2017, pursuant to the Public Utility Holding Company Act of 2005, Cap Ridge Wind IV, LLC ("Cap Ridge IV"), submitted for filing a Notice of Self-Certification ("Notice") of Exempt Wholesale Generator Status ("EWG"), as defined in Section 366.1 of the Commission's rules, 18 C.F.R. § 366.1 (2016). The Notice in addition to describing the generation facilities also described certain interconnection facilities. On August 31, 2017, those interconnection facilities were assigned to Cap Ridge IV's affiliate, Capricorn Bell Interconnection, LLC. Accordingly, such interconnection facilities are no longer part of the facilities comprising the Cap Ridge IV EWG.

If you have any questions, please contact the undersigned.

Respectfully submitted,

/s/ Joel D. Newton
