Question No.: CITIES 14-4

Part No.:

Addendum:1

Question:

Refer to pages 54 through 57 of Mr. Ralston's testimony. Identify each day during the reconciliation period for which EGS' aggregate cost of:

- (a) purchased energy priced at more than \$50 per MWH, and
- (b) gas fired generation produced at a cost exceeding \$50 per MWH exceeded \$200,000.

For each such day, please provide:

- 1. MWH purchased at a cost greater than \$50 per MWH;
  - 2. Total cost and MWH by supplier;
  - 3. MWH generated at a cost in excess of \$50 per MWH; and
  - 4. Total reconcilable cost associated with 3.
- 

Response:

The response to this request is voluminous. Voluminous documents will be made available in the Company's voluminous room during normal business hours by appointment.

- a.
  - 1. See attached.
  - 2. See attached.
- b.
  - 3. No EGSI generation exceeded \$50 per MWH.
  - 4. See Part 3.

**Addendum 1:**

The response to this request is voluminous. Voluminous documents will be made available in the Company's voluminous room during normal business hours by appointment.

The attached spreadsheet contains a correction for Part A, Number 2. The original summary sheet contained a calculation that incorrectly summed the \$/MWh for each supplier/day. The corrected attachment contains a calculation summing the total daily cost for each supplier.
