Re: Lillian-Cedar Hill  
Transmission Line Rebuild Project

Dear Mr. Gill:

Brazos Electric Power Cooperative, Inc. currently has plans to rebuild the aforementioned transmission line, the route of which traverses your certified retail service area or is within five miles thereof.

Accordingly, we are in the process of filing an application to amend our Certificate of Convenience and Necessity with the Public Utility Commission of Texas. As a part of the process, we request your acknowledgment of the receipt of this correspondence and agreement that you do not oppose the proposed construction by signing below and returning this letter in the enclosed envelope so that it may be included in the CCN Application process. We have enclosed a copy of the Project Description, Area Map, and other pertinent information in accordance with PUC rules.

Your attention to this matter will be greatly appreciated and if we can be of further assistance in this matter, please advise.

Sincerely,

  
Randolph J. Williford, P.E.  
Manager - Project Construction  
and Engineering
