Re: Request for Access to Municipal Access Line Reporting System for Past  
Reporting Periods (2017 through 2Q 2019) - Phonoscope Enterprises  
Group, LLC

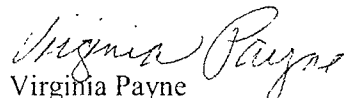

Dear Mr. Mendoza or To Whom It May Concern:

I am writing on behalf of Phonoscope Enterprises Group, LLC ("Phonoscope") to request access to the Municipal Access Line Reporting System for the time frame listed above. I am the Controller of Phonoscope. As part of Phonoscope's desire to gain compliance with the Commission's requirements for filing these reports and in an effort to resolve the pending Docket No. 48972, I need access to the system to file these past due reports. I am prepared to file the reports for all of 2017 through 2Q 2018. I will then file the remainder of the reports as they become available and are approved internally.

Please provide me with the appropriate access at your earliest convenience. I have been asked to file the reports through 2Q 2018 as soon as possible. If you have any questions, you can contact me at (832) 615-7398 or contact me via electronic mail at [vpayne@phonoscope.com](mailto:vpayne@phonoscope.com). If you have any questions about the pending docket and our efforts in working with the Enforcement Staff, please contact Phonoscope's attorney, Katherine K. Mudge at (512) 615-1233 or [kmudge@enochkever.com](mailto:kmudge@enochkever.com).

I look forward to hearing from you very soon so that we can move forward with our efforts to have all past due reports filed.

Sincerely,

  
Virginia Payne  
Controller
