Re: Docket No. 24770, Report of the Electric Reliability Council of Texas (ERCOT) to the
PUCT regarding Implementation of the ERCOT Protocols

Dear Judge Burns:

At yesterday's Open Meeting, the Commissioners stated an interest in holding a workshop in this docket on July 15 or 19, 2002. Staff requests that the workshop be scheduled for July 19, 2002, so that the Commission's market oversight consultant, Professor Shmuel Oren, can fully participate in the workshop.

Dr. Oren was heavily involved in the preparation of the Staff's recommendations in this docket.¹ He will be leaving for Europe on June 23rd and not returning until July 14th, and will not necessarily have email access throughout his trip.

Sincerely,

A handwritten signature in cursive script that reads "Keith Rogas".

Director
Legal Division, Electric Section
