TX Nondominant Carriers Annual Report For the year ending December 31, 2003

Registration No. IX010188

Project No. 25000

Tel: 407-740-8575

Fax: 407-740-0613 tmi@tminc.com

Dear Sir or Madam:

Enclosed please find the original and three (3) copies of the TX Nondominant Carriers Annual Report for the year ending December 31, 2003, filed on behalf of BellSouth Long Distance, Inc. This report was also filed 9/29/04 on the commission's website.

Pursuant to section 26.89 of the Substantive Rules, this letter shall serve as notification that the tariff(s) or rate sheet(s) currently on file with the Texas PUC reflect up to date rates, terms and conditions of the Company's service offerings within the state of Texas. The company is requesting CONFIDENTIAL treatment of this report, if possible.

Please acknowledge receipt of this filing by date-stamping the extra copy of this cover letter and returning it to me in the self-addressed, stamped envelope provided for that purpose.

Questions regarding this filing should be directed to my attention at 407-740-8575. Thank you for your assistance in this matter.

Sincerely,

Amy L. Thrasher

Compliance Reporting Specialist

|   | Ø      | BSLD                                     | * |

#### **Company Addresses and Contact Information**

Company Addresses and Contact information is extremely important for the Commission to contact the company in a timely manner.

**REQUIRED INFORMATION:** The Commission has determined that the following information is Mandatory for each company:

- Company Physical Address
- Mailing Address (if different from physical address)
- Authorized Representative Information
- Primary Emergency Contact Information
- Secondary Emergency Contact Information
- Complaint Correspondent Information

**Optional Information:** The Commission has allowed the following additional information to be filed for each company:

- Tertiary Emergency Contact Information
- Contact Information (General or Special)

The format below allows the Company to apply multiple labels to each address in order to reduce duplication and data entry.

If a record is no longer valid, you can edit the record to reflect the correct information or mark the record for deletion. New records are removed from data while existing records are "Marked For Deletion". (See Action Functions listed below)

To Add a record, select the yellow plus symbol icon located above the grid of records. Adding a Record

Editing a Record Select the green pencil icon located below the blue header line on the left next to the record.

After Adding, Editing, or Canceling a record, you MUST select the grey disk icon to complete the Save a record
