RE: Globalcom, Inc.
d/b/a GCI Globalcom, Inc.

Dear Sir or Madam:

We are the attorneys for Globalcom, Inc. d/b/a GCI Globalcom, Inc. (hereinafter "Globalcom"). The Texas Public Utility Commission ("Commission") previously authorized Globalcom to provide local exchange telecommunications services in Docket No. 19969 on December 14, 1998. Globalcom has no local exchange customers in Texas and no longer intends to retain local exchange service authority. Globalcom does have long distance customers in Texas and intends to retain interexchange service authority.

Accordingly, we respectfully request that effective immediately the Commission cancel only Globalcom's competitive local exchange authority.

Please forward any additional forms or requirements, correspondence, or questions to me.

Enclosed is a duplicate of this letter. Please stamp the duplicate received and return same in the postage-paid envelope attached thereto.

Very truly yours,
