RE: Affidavit from Texas- New Mexico Power Company for Project No. 25937, PUC  
Investigation into Possible Manipulation of the ERCOT Market.

Dear Mr. Adib:

I am writing in response to your letter to Texas- New Mexico Power Company dated August 1, 2002. I wanted to personally apologize for the oversight on my part for not submitting an affidavit for Project 25937 as required by the June 12, 2002 memorandum and to assure you that our noncompliance was not intentional. We received two separate memo's dated June 12, the latter of which excluded Texas- New Mexico Power Company from the required respondents. I apologize for any inconvenience this may have caused and accordingly, I have forwarded an affidavit for Texas- New Mexico Power Company to be filed of record. Thank you.

Sincerely,

Charles Edward Batchelor
