Part No.:

Addendum:

Question:

Please identify any extraordinary and/or non-recurring expense that is included in the 1999 base year production costs that are included in the Company's updated ECOM calculation that was performed in accordance with the Commission's rules and orders.

Response:

Year 2000 and Entergy Renewal costs have been identified as non-recurring expense items. The cost for both of the items have been removed from the adjusted Historic Test Year expense as shown in work papers to Schedule I-A-1, AJ5 and AJ14 respectively, of the Company's UCOS filing.
