Re: Docket No. 26185
Hickory Forest to New Berlin Project

Gentlemen:

This is to advise you that I am expressing objection to the proposed Route #4 of the Guadalupe Valley Electric Cooperation transmission line, which would cross my property. As I stated in my January 2, 2002 letter to the Lower Colorado River Authority, I have had several offers to sub-divide this property. If at all, I would prefer Route #6.

I am enclosing a copy of my January 2, 2002 letter. I was not able to attend in person the meeting held January 8, 2002 in Seguin.

I would appreciate your consideration in this matter.

Sincerely yours,

James A. Bargfrede

Dear Ms. Morris:

Hickory Forest to New Berlin Project

I respectfully object to the routing of the electric line
since I hope to sub-divide my property.

Yours truly,
