Re: Project Number 26280, Aggregator Annual Reports

Dear Central Records Filing Clerk,

I am the President of One Nation Energy Solutions, LLC and our current contact information is:

I spoke with James Kelsaw in your office a few years ago and he said that since we have not done any aggregation to date (even though we are listed as an aggregator) I could write this letter instead of filing the full form. Let me state for the record, we have done no aggregation since our FERC Rate Schedule No. 1, June 11, 2003, Docket Number: ER03-821-000 was issued. We have only done wholesale business on a one to one basis and we file with the FERC every quarter. I am the only contact currently so if you have any question, please feel free to call. Additionally, my cell number is (713) 299-9000.

Thank you again,
