Attention: Workforce Diversity Reporting

Re: Report of Workforce Diversity ("Report") for TXNet Communications, SPCOA  
certificate no. 60175 ("Company")

Ladies and Gentlemen:

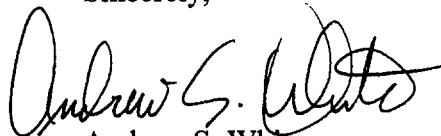

Pursuant to a telephone conversation this morning with your office, please accept this letter on behalf of the Company as it's Report of Workforce Diversity.

We note that §26.85(i) of the rules regarding this Report provides a waiver for telecommunications utilities with less than sixteen employees in the State of Texas that completes subsection (f)(1) of this rule.

Please be advised that the Company does not have any employees in the State of Texas or elsewhere. The Company's affairs are currently being managed by David W. Hattman, President and sole director of the Company, who is not currently an employee of the Company. The Company does not currently conduct operations in the state of Texas. As a result, we do not believe the Company is currently required to file an Equal Opportunity Report pursuant to §26.79 of these rules. We will of course notify you should these circumstances change.

After you have reviewed the enclosed, please let me know if you have any questions or comments, or if I may provide additional information to you in this regard.

Sincerely,

Andrew S. White
