**SECTION 2 - REGULATIONS, (continued)**

**2.8 Responsibility of the Company, (continued)**

**2.8.3 Disconnection of Service by the Company**

Upon five (5) days written notice, the Company may discontinue service or cancel an application for service without incurring any liability for any of the following reasons:

- A. Non-payment of any sum due to the Company for service for more than thirty days beyond the date of rendition of the bill for such service;
- B. Violation of any regulation governing the service under this tariff;
- C. Violation of any law, rule, or regulation of an government authority having jurisdiction over the service; or
- D. The Company is prohibited from furnishing services by order of a court or other government authority having jurisdiction.
- E. Customer uses equipment in such a manner as to adversely affect the Company's equipment or service to others.

**2.8.4 Fractional Charges**

Charges for a fractional part of a month (which follows a full month) are calculated by counting the number of days remaining in the billing period after service is furnished or has been discontinued. The number of days remaining in the billing period are counted starting with the day after the service was furnished or discontinued. Divide that figure by thirty days. The resultant fraction is then multiplied by the monthly charge to arrive at the fractional monthly charge.

**2.8.5 Insufficient Fund Checks**

Customers will be charged \$25.00 on all checks issued to the Company which are returned due to insufficient funds. At the discretion of the Company, the insufficient funds check charge may be waived under appropriate circumstances (e.g. a bank error).
