Section 3: Company, on written request of any person, shall relocate, raise or lower its wires temporarily to permit construction work in the vicinity thereof, or to permit the moving of houses or other bulky structures. The expense of such temporary relocation, raising or lowering of such wires shall be paid by the benefited party or parties and the Company may require the payment in advance, being without obligation to remove, raise or lower its wires until such payment shall have been made. The Company shall be given not less than forty-eight hours prior notice to arrange for such temporary wire changes.

Section 4: Within the streets or other public ways of the city, the location and route of all poles, stubs, guys, anchors, lines, conduits and cables placed and constructed, and to be placed and constructed, by company in the construction and maintenance of its electrical lighting and power system in, within and through the city, shall be subject to the reasonable and proper regulation, control and direction of the city, or of any city official to whom such duties have been, or may be, duly delegated.

Section 5: Nothing contained in this ordinance shall ever be construed as conferring upon company any exclusive rights or privileges of any nature whatsoever.

Section 6: If any provision, section, sub-section, sentence, clause, or phrase of this ordinance is, for any reason, held to be unconstitutional, void, or invalid (or for any reason unenforceable) the validity of the remaining portions of this ordinance shall not be affected thereby, it being the intent of the city in adopting this ordinance that no portion thereof or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality or invalidity of any other portion, provision or regulation, and, to this end, all provisions of this ordinance are declared to be severable.

Section 7: The City, by granting of this franchise, does not surrender or to any extent lose, valve, impair or lessen the lawful powers and rights, now or hereafter vested in the City under the constitution and statutes of

the State of Texas to regulate the rates for services of Company; and Company, by its acceptance of this franchise, agrees that all such lawful regulatory powers and rights, as the same may be from time to time vested in the City, shall be in full force and effect and subject to the exercise thereof by the City at any time, and from time to time.

Section 9: As compensation to City for the use and occupancy of its public roads, ways, highways, lanes, alleys, bridges, parks and other public places in the City, and in consideration for the other rights and privileges herein granted, Company agrees to pay to the City on September 1, 1958, and on each September 1, thereafter occurring during the continuance of this agreement, a sum of money equal to four (4%) per cent of its gross receipts from billings for the twelve month period from July 1 to June 30, inclusive, next preceding such September 1, -- exclusive of receipts from (1) sales to industrial consumers, (2) sales for governmental pumping, and (3) street lighting, -- received by the Company for said twelve month period (ending on the immediately preceding June 30) from its electrical lighting and power sales made direct by Company to ultimate consumers for consumption within the corporate limits of the City; less a sum equal to the aggregate amount of any license, charge, fee. street, or alley rental, or any other charge, or levy, or character of tax, for use or occupancy of the public roads, ways, highways, lanes, alleys, bridges, parks or other public places in the City, and any pole tax or inspection fee tax, paid other than under this agreement to the City, or any agency, instrumentality, subdivision or successor of the City, by the Company during those twelve months (ending August 31) next preceding said September 1 payment date. "Sales to industrial consumers" shall include, but not be limited to, sales of electric energy used by a

consumer principally for manufacturing, processing, mining, refining, irrigation, shipbuilding, construction, radio communication, operation of railroads, and other common carriers, and public utilities, including, but not limited to, pumping, severage, and drainage. "Sales for governmental pumping" are those sales to the City, United States, County, State of Texas, or to any governmental or political subdivision, unit, body, district, agency, instrumentality or wholly owned corporation, of any of the foregoing, which sales, if any, are made under a pumping service classification, or rate schedule, available only to such governmental authorities.

Each payment hereinabove provided shall compensate the City for the use of its public roads, ways, highways, lanes, alleys, bridges, parks and other public places in the City, by Company with its facilities for the twelve month period commencing upon, and extending from July 1 of the year of such particular payment. As compensation to City for such use for the period commencing on the effective date of this franchise and ending June 30, 1958, Company agrees to pay to City at the time Company accepts this franchise, the sum of \$23.00 for each day this franchise is to be effective prior to July 1, 1958; and this payment shall not affect Company's liability for the amount that becomes due and payable to City in 1958 by Company under the presently effective street rental ordinance of City.
