Re: 2003 Annual Report Regarding the Use of Historically Underutilized Businesses
(HUB) Report - Telephone (Project 28690)

Dear Commission Filing Clerk,

Pursuant to the requirements of Sections 26.71 and 26.80 of the Substantive Rules Applicable to Telecommunications Providers, please note that Navigator is not required to file an annual HUB report in Texas. As a Competitive Local Exchange Carrier (non-dominant carrier) in Texas, our only purchases are from the Incumbent Local Exchange Carriers (ILECs) of Southwestern Bell, Sprint, and Verizon. Purchases from these ILECs are used to provide local exchange service to our Texas customers. Note that the Company also does not have any employees or offices located within the State of Texas. All employees and offices are located here in our Arkansas office.

Please contact Mark Herring at 501-954-4053 if you have any questions concerning this filing. Thank you for your assistance with this matter.

Sincerely,

Michael McAlister
