Attached is Southwestern Bell Telephone, L.P.'s, d/b/a SBC Texas report on Historically Underutilized Businesses (HUB). A HUB is defined as business enterprises that are 51% owned and controlled by US citizens who are socially disadvantaged because of their identification as members of certain groups, including African-American, Hispanic, Native American or Asian Pacific and Women as defined in the Texas Government Code § 481.101(1). This report is filed in accordance with Substantive Rule §26.80 (b) and includes the previous four quarters ending on September 30, 2003.

Southwestern Bell Telephone has no vendors with unknown status, as all our vendors must declare if they qualify as a HUB.
