Re: Docket # 28813, Cap Rock Electric

PUBLIC UTILITY COMMISSION
FILING CLERK

March 25, 2004

Dear Sirs,

I am against the rate increase proposed by Cap Rock Electric. I feel that the rates they currently charge are too expensive. A 14.45% increase is totally unreasonable, as we are already paying more than others using a different electric company.

Thank you for your consideration,

Jimmy and Terri Felty
