Pursuant to the Texas Public Information Act ("TPIA"), Chapter 552, Texas Government Code, Sections 552.101 and 552.110(a) and (b), Constellation asserts a claim of confidentiality with respect to the following fields of information required by and provided to the Commission in the report: Counterparty (contract & transactional), DUNS # (contract), Method (contract & transactional), Effective Date (contract), Terminate Date (contract), Terminated Date (contract), Extension (contract), Type (contract & transactional), Increment (contract & transactional), Product (contract & transactional), Contract Identification Number (CID) (transactional), Physical (transactional), Begin Date (transactional), End Date (transactional), Point of Receipt Zone (PORZ) (transactional), Point of Receipt (POR) (transactional), Point of Delivery Zone (PODZ) (transactional), Point of Delivery (POD) (transactional), Quantity (transactional), Price (transactional), Units (transactional), Charge (transactional). The information for which the confidentiality claim is asserted constitutes trade secrets and competitively sensitive financial and commercial information, public disclosure of which would cause substantial competitive harm to Constellation, its affiliates, and counterparties. Constellation further requests, pursuant to Public Utility Regulatory Act, TEX. UTIL. CODE Section 39.001(b)(4) and other PURA provisions requiring that the Commission protect competitively sensitive information, that the Commission preserve the confidentiality of said information. Constellation has also signed the Commission's confidentiality agreement relating to this information.
