All Parties in PUC Docket No. 29526

Re: Recall of Privileged Documents responsive to City of Houston's Fifth Request
For Information
(PUC Docket No. 29526, SOAH Docket No. 473-04-4555)

Ms. Todd and all Parties,

On May 8, 2004, CenterPoint discovered that certain documents subject to the attorney-client privilege had been inadvertently filed with the Commission in response to RFI COH 5-135, and had been made available in CenterPoint's voluminous room. Pursuant to the provisions of TEX. R. CIV. PROC. 193.3(d), CenterPoint is removing those documents from the voluminous room and requiring the return of any such documents that have been copied by Parties in this proceeding.

By this letter, CenterPoint requests that the copies of these privileged documents filed with the Commission be returned to CenterPoint as well, and that the Commission's Interchange system be corrected to reflect this change. CenterPoint is filing a revised response to COH 5-135 reflecting the privileged status of the documents in question. In addition, CenterPoint is filing an objection for these documents and a privileged document index pursuant to the requirements of the Commission's rules. Thank you for your cooperation in this matter.

Sincerely,

Paul E. Pfeffer
