**ORDER NO. 14
REQUIRING POSITON STATEMENTS,
INCLUDING ANY REQUESTS FOR HEARING**

On April 15, 2005, parties were notified that exceptions to the proposal for decision were due on April 27, 2005, responses to exceptions were due on May 11, 2005, and the proposal for decision would be considered by the Commissioners at the Open Meeting scheduled for May 25, 2005.

An agreed motion was filed on April 25, 2005, wherein the parties to this docket requested that the current schedule for exceptions and replies to exceptions be abated. The basis for this request was to allow the Commissioners to consider a non-unanimous stipulation filed by certain parties after issuance of the proposal for decision.

By a memorandum to all parties of record, dated April 26, 2005, the Commission withdrew the procedural schedule set on April 15, 2005. The undersigned administrative law judge has been assigned to this docket and issues the following order:

All parties to this proceeding are directed to file position statements concerning the non-unanimous stipulation filed on April 25, 2005, on or before May 12, 2005. Such position statements should include any requests for a hearing on the non-unanimous stipulation.

SIGNED AT AUSTIN, TEXAS on the 28th day of April 2005.
