**RE: Project No. 30238-Historcally Underutilized Businesses Report -
Waiver Request**

To Whom It May Concern:

Charter Fiberlink TX-CCO, LLC ("Charter Fiberlink") is the holder of a Service Provider Certificate of Operating Authority issued in Docket No. 30881 on April 25, 2005.

Section 26.80 of the substantive rules of the Public Utility Commission of Texas ("Commission") requires telecommunications utilities to file a Historically Underutilized Businesses Report ("HUB Report") with the Commission on or before April 23rd. Based upon my discussions with Janis Ervin of the Commission's Staff, Charter Fiberlink understands that the Commission will waive the requirement to file a HUB Report for telecommunications utilities having less than fifteen (15) full time employees.

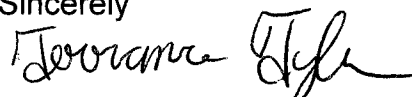

Charter Fiberlink, through its affiliates, has one (1) full time employee dedicated to Charter Fiberlink's provision of telephone service in Texas and four (4) employees dedicated to operations and maintenance.

Accordingly, Charter Fiberlink Requests a waiver of the requirement to file a Workforce Diversity Report pursuant to Section 26.85 of the Commission's rules.
