Re: **Notice of NTS Communications, Inc., Regarding Need for Additional Time
to File Report in Project No. 30238**

To Whom It May Concern:

This is to advise the Commission that NTS Communications, Inc., needs additional time to complete the 2010 Work Force Diversity Report.

NTS has determined that it does not have the necessary data to complete the report. NTS continues to experience turnover in the position responsible for accumulating the data needed to produce this report. Due to this turnover, the annual vendor questionnaire has not been sent. Therefore, the company needs additional time to mail the questionnaire and assimilate the required data. This process will require a substantial amount of additional time.

Therefore, NTS will use its best efforts to gather the necessary data and file the report on or before March 31, 2011.

Respectfully submitted,

Daniel R. Wheeler
