Re: Project Number 30238 *2011 Annual Report on Historically Underutilized Businesses*

Dear Sir or Madam:

Alpheus Data Services (ADS) has no employees; rather employees are staffed through ADP TotalSolutions (ADP). ADS has under fifteen full time employees of ADP working for the company and is filing this waiver request for ADP. Per the Public Utility Commission of Texas guidelines, companies with less than fifteen (15) employees can request a waiver to exempt the filing of the Historically Underutilized Businesses Report that is due by December 30, 2011. Please accept this waiver request from Alpheus Data Services due to the small number of employees. The parent company of ADS, Alpheus Communications, L. P. will file the Historically Underutilized Businesses Report under separate cover. Please contact me at 903 675-1991 if you have any questions.

Sincerely,

Patricia M. Hogue
