RE: Project 30238: 2004 (10-01-03 TO 09-30-04) Annual Report Regarding
The Use Of Historically Underutilized Businesses (Hub Report -- Telephone)

Dear Ms. Todd:

Pursuant to PUC Substantive Rule 26.85, on December 29, 2004, AT&T submitted its Annual Progress Report to the Five-Year Plan to Enhance Supplier and Workforce Diversity. This report was a consolidated report for those AT&T entities that are "telecommunications utilities", as defined by the Public Utility Regulatory Act in 51.002(11), doing business in Texas during the four prior quarters ending September 30, 2004, including Teleport Communications Houston, Inc. and TCG Dallas and AT&T Communications of Texas, L.P.

Please do not hesitate to contact me if you have any questions regarding this report.

Respectfully submitted,
