Re: Waiver Request for Project No. 30240 & Project No. 30238 Filings

To Whom It May Concern,

ATC Outdoor DAS, LLC ("ATC") is registered as a telecommunications service provider in the State of Texas. ATC currently has less than 16 employees in Texas. ATC has been informed through contact with the Public Utility Commission of Texas that the Commission grants waivers from filing the Workforce Diversity form (Project No. 30240) and the Historically Underutilized Business form (Project No. 30238) to companies with fewer than sixteen (16) employees in Texas. ATC would like to formally request that the Commission waive ATC's obligation to file these forms for the 2011 calendar year.

Please do not hesitate to contact me if you have any questions or concerns.

Sincerely,

Jill S. Reiff
