RE: Project No. 30238 – Request for Waiver

To Whom It May Concern,

New Edge Network, Inc. dba New Edge Networks hereby requests a waiver of the requirement to file a ~~WD~~ report to the Public Utility Commission of Texas. Hub

The basis for the request for a waiver is based on the fact that New Edge Networks has less than 25 employees in Texas. New Edge Networks is based in Vancouver, Washington and its core workforce is located in Washington.

If the Commission requires anything further to grant the waiver, please advise. I can be reached at 360-906-9853 or by email: kbeigh@newedgenetworks.com.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'K. B. Shotsky'.
