**WES-TEX TELEPHONE COOPERATIVE, INC.
ANNUAL REPORT ON HISTORICALLY UNDERUTILIZED BUSINESSES
CRITERIA FOR DETERMINING HUB STATUS OF VENDORS**

Wes-Tex Telephone Cooperative, Inc. is in the business of providing telephone service to rural telephone customers. The nature of the telecommunications industry limits a large portion of our purchases to national, publicly-held entities. When making purchases that are not limited to a small number of large vendors, the cooperative first attempts to utilize local vendors and then makes further selections based on price differentiation.

Since the cooperative utilizes several local vendors, it is possible to know which businesses are HUBs because the owners' gender, race and other characteristics are known firsthand. We also attempted to search our vendors on the Comptroller's HUB Search website.
