Re: *WD and HUB Report of NextG Networks of Illinois, Inc. ("NextG")*

Dear Ms. Ervin,

NextG Networks of Illinois, Inc. is a telecommunication provider who serves its customers in Texas with facilities-based and resale telecommunications services. NextG does not have an office in Texas and NextG does not have any employees in Texas.

For this reason we are requesting a waiver for the reporting requirement that is due on December 30, 2004.

Thank you for your assistance with this matter. If you have any questions, please feel free to contact me at 408-719-8510, x186.

Sincerely,

  
Anthony E. Rodriguez
