RE: Project No. 30240 and Project No. 30238 reports

To Whom It May Concern:

Telscape Communications sent the enclosed waiver requests via Fed Ex to Katherine Farrell on January 10, 2005. However, Telscape received a letter dated March 3, 2005 stating that our WD and HUB reports had not been received. I spoke to Janis Ervin, who advised me to send copies of the original waiver requests to the Central Records Division.

As advised, copies of the waiver requests we originally sent in January 2005 are enclosed. Please accept these copies as Telscape's Project No. 30238 and Project No. 30240 filings.

Please contact me if you have any questions.

Sincerely,

Stacey Haro

RE: Project No. 30238; 2004 Historically Underutilized Business Report Waiver Request

Dear Ms. Farrell,

Telscape Communications, Inc. (Certificate No. 60558) currently does not have any access lines or employees in Texas, nor are we currently operating in Texas. Please accept this letter as Telscape's request for a waiver of the 2004 Historically Underutilized Business Report filing requirement.

Please feel free to contact me if you have any questions.

Sincerely,
