Re: Project 30238 – Historically Underutilized Business (HUB) Report

Dear Mr. Galloway,

Attached is Southwestern Bell Telephone, Inc.'s, d/b/a AT&T Texas report on Historically Underutilized Businesses (HUB). A HUB is defined as business enterprises that are 51% owned and controlled by US citizens who are socially disadvantaged because of their identification as members of certain groups, including African-American, Hispanic, Native American or Asian Pacific and Women as defined in the Texas Government Code § 481.101(1). This report is filed in accordance with Substantive Rule §26.80 (b) and includes the previous four quarters ending on September 30, 2008.

AT&T Texas has no vendors with unknown status, as all our vendors must be certified to qualify as a HUB.

Please call me at (512) 870-2107 if you have any questions.

Sincerely,

Emily Steele
Area Manager – Regulatory Relations
