RE: Project No. 30238 Request for Waiver of HUB Report 2009

Dear Sir/Madam,

Pac-West Telecomm, Inc ("Pac-West") acquired Tex-link Communications, Inc. in December, 2008 therefore the following waiver request is being filed on behalf of both entities.

Pac-West is hereby requesting a waiver of the requirement for filing the Historically Underutilized Business Form (Project No. 30238) for the four quarters ending on September 30, 2009. The reason for Pac-West requesting a waiver is that Pac-West has less than fifteen (15) employees in the State of Texas.

Pac-West understands the practice of the PUC is to only notify an applicant if a waiver is denied. Accordingly, unless Pac-West hears otherwise, Pac-West will proceed on the basis that the waiver has been granted.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Pauline Wickstrom
