Dear: Commission

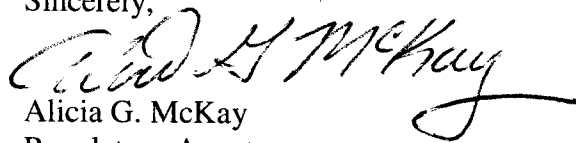

In response to your email of March 18, 2010, enclosed, please find eight (8) copies of the letter originally sent to the Commission as the response to Project 30238. Included in the letter of December 2, 2009, were the responses for:

Texas Terracom
Inteltrace, Inc.

These carriers do not employ more than 16 people in the State of Texas. Therefore, it is our understanding they would not be required to complete the Workforce Diversity Report.
