Re: Trans National Communications International, Inc., Project Nos. 30238 and 30240

Dear Sir/Madam:

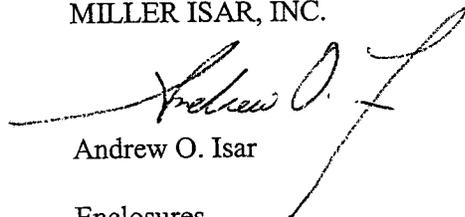

Trans National Communications International, Inc. ("TNCI"), by its regulatory consultants, and pursuant to sub chapter §26.85(i) of the Commission's Substantive rules, hereby respectfully requests waiver of sub chapters §26.80, Annual Report on Historically Underutilized Businesses, and §26.85, Report of Workforce Diversity and Other Business Practices, for calendar year 2008. TNCI does not maintain Texas employees, nor does it otherwise transact business in Texas beyond the provision of its resold interexchange and local exchange services. No meaningful report data could be provided to the Public Utility Commission of Texas, accordingly.

This letter has been filed with the Commission electronically, using PUC Filer under the above-referenced project numbers, as demonstrated by the attached tracking sheets. An original and five (5) hard copies of this letter are also included with TNCI's overnight filing, a total of ten (10) copies.

Thank you for your attention to this matter. Questions regarding this filing may be directed to me at the telephone and fax numbers above or via electronic mail at [aisar@millerisar.com](mailto:aisar@millerisar.com).

Sincerely,

MILLER ISAR, INC.

Andrew O. Isar
