RE: Project No. 30240 (2009 WD Reports) and Project No. 30238 (2009 HUB Reports)

Dear Sir/Madam:

We are writing in relation to the 2009 WD and HUB reports. Our company, SoftSwitch Communications, Inc., located at 5950 Cedar Springs Road, Suite 120, Dallas, Texas 75235, currently employees only 4 people – the President (and owner), two Senior Systems Engineers and an Operations Manager. We are writing to request a waiver from filing both of these reports, as the size of our company is quite small – less than 25 employees.

Please let me know if this request is unreasonable so we can proceed with filing the necessary reports.

Thank you,

Janelle Kaporczynski

Operations Manager
