RE: Project #30238 & #30240

Dear Commission,

With humility and respect, I am submitting this letter after the December deadline and ask for your forgiveness in this tardiness.

Jilapuhn Inc. d/b/a VI Telco had no employees in Texas for the year ending 2009, and currently has no employees in Texas. We are operating out of the Denver Metro area in Colorado where we do have employees. Therefore, we are requesting a waiver of reporting requirements. We will continue to report as required and do our best to report in a timely manner. Once again please forgive us this late report and accept our apology for this late correspondence.

Sincerely,

Angela Moore
Director
