Re: **Notice of NTS Communications, Inc., Regarding Need for Additional Time  
to File Report in Project No. 30240**

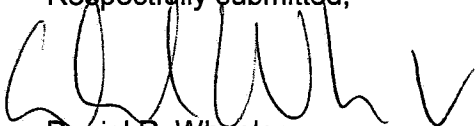

To Whom It May Concern:

This is to advise the Commission that NTS Communications, Inc., needs additional time to complete the 2009 Historically Underutilized Business Report.

NTS has timely filed this report in past years. However, in the last six months, NTS has experienced repeated turnover of the persons responsible for filing this report. Though NTS received notice on March 18, 2010, that the filing was late and was due on April 23, personnel have been unable to gather the necessary data to complete the report.

NTS believes that it will be able to gather the necessary data and file the report on or before May 24, 2010.

Respectfully submitted,

Daniel R. Wheeler
