Re: Waiver Request
Project 30238 and Project 30240

To Whom It May Concern:

I am writing this letter to notify the Public Utilities Commission that X2Comm, Inc. does not have any Texas employees and we are requesting a waiver of the requirement regarding Project 30238 and Project 30240. I have enclosed eight copies of this letter per Procedural rule 22.71(c)(12).

Please let me know if you have any questions regarding this issue.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Tina Tecce'.
