RE: Project No. 30240 – Request for Waiver

To Whom It May Concern,

New Edge Network, Inc. dba New Edge Networks hereby requests a waiver of the requirement to file a HUB report to the Public Utility Commission of Texas.

The basis for the request for a waiver is based on the fact that New Edge Networks had less than 10 employees in Texas for the previous four quarters ended September 30, 2010. New Edge Networks is based in Vancouver, Washington and its core workforce is located in Washington.

If the Commission requires anything further to grant the waiver, please let me know. I can be reached at 360-906-9853 or by email: ppieters@newedgenetworks.com.

Respectfully submitted,
