PROCUREMENT**

- (1) **Describe the specific initiatives, programs, and activities undertaken under the plan during the preceding year:**

Wes-Tex Telephone Cooperative's policy is to promote from within our organization when individuals are qualified for a position. In addition, it is our policy to hire individuals considered to be assets to the organization and community. Individuals are hired based upon qualifications and the ability of the individual to be trained for the positions available. Wes-Tex did not choose applicants based on race or gender

Wes-Tex had little change in its workforce during the reporting period and did not actively pursue new employees.

- (2) **Make an assessment of the success of each of the specific initiatives, programs, and activities listed above:**

Wes-Tex did not actively pursue new employees during the reporting period.

- (3) **Describe the initiatives, programs, and activities the utility will pursue during the next year to increase the diversity of its workforce and contracting opportunities for small and historically underutilized businesses:**

Wes-Tex will continue to add positions as needed. Applicants will be screened based on qualifications and ability to be trained for the positions available. Individuals will not be chosen based upon race or gender.

Our organization has always and will continue to utilize locally owned businesses within the communities served by the Cooperative. We will purchase materials and supplies from small and HUB type businesses whenever products or services are available from these sources.

Wes-Tex will utilize its own employees as much as possible on construction activities. If a need arises for outside contractors, qualified small and HUB businesses will be considered in competitive bidding procedures.

The nature of the telecommunications industry forces us to rely on a small number of major manufacturing corporations for much of our major equipment. If a small or HUB business were able to provide reliable equipment at a competitive price, we would not hesitate to consider acquiring this type equipment from these organizations.

- (4) **State the specific progress made under the plan filed by the utility:**

No progress was made as the company did not hire any new employees during the reporting period.
