**RE:** Project No. 30240 - Tim Ron Enterprises, LLC 2006, 2007, 2008 and 2009 Workforce Diversity Exemption Request

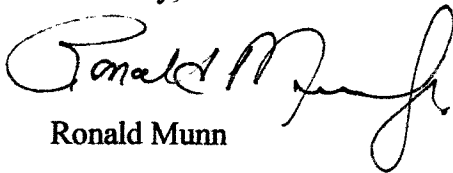

Dear Staff:

Chapter 26 § 26.85(i) of the Texas Public Utilities Commission's ("Commission") Substantive Rules require telecommunications carriers with less than sixteen (16) employees in the State of Texas to file a request from exemption of the Workforce Diversity and Other Business Practices annual reporting requirements. It has come to my attention that Tim Ron Enterprises, LLC ("Tim Ron," the "Company") has not filed the required exemption request for the Company's operations in Texas for 2006, 2007, 2008 and 2009. This letter is to advise that Tim Ron did not exceed the minimum employee threshold in the State of Texas for each of these years and therefore request an exemption from the reporting requirements of Chapter 26 § 26.85(d) of the Commission's Substantive Rules for calendar years 2006, 2007, 2008 and 2009.

An original and four (4) copies of Tim Ron's exemption request for 2006, 2007, 2008 and 2009 is hereby provided. An extra copy has also been included. Please acknowledge receipt of this filing by date stamping the extra copy and returning it to me in the self-addressed stamped envelope provided.

Please contact me at (318) 780-3987 or via email at [rmunn@nwconline.net](mailto:rmunn@nwconline.net) with any questions regarding this filing.

Sincerely,

Ronald Munn
